

Routine Reflections Practice #1

Reflect these images in the dotted lines

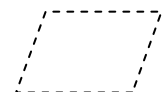

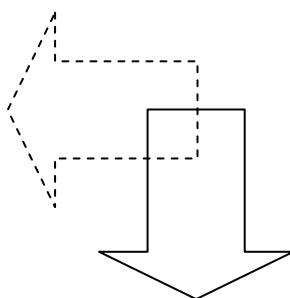

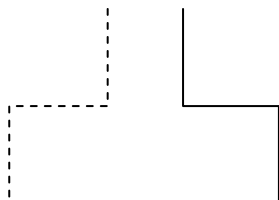

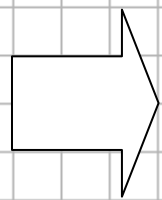

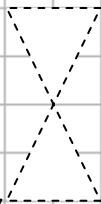

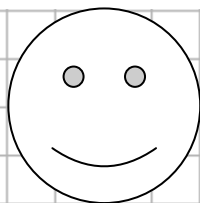

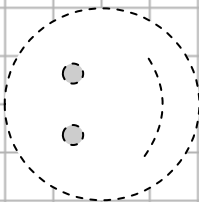

Draw the **two** mirror lines that will move this shape to its dotted image.

Draw the **two** mirror lines that will move this shape to its dotted image.

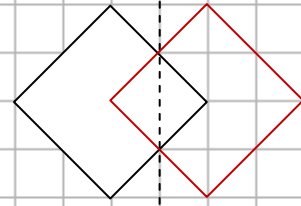

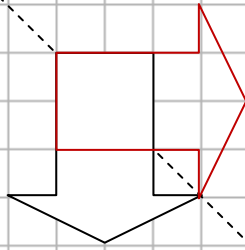

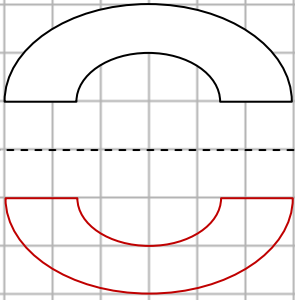

If the transformations below can be made by reflection draw in the mirror line. Put a ✖ if they cannot be made by reflection.

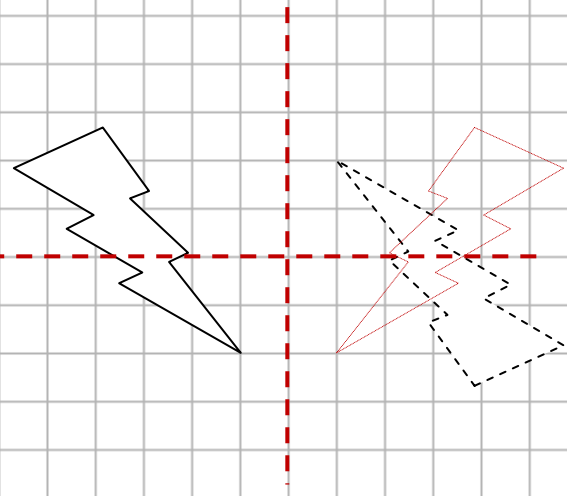

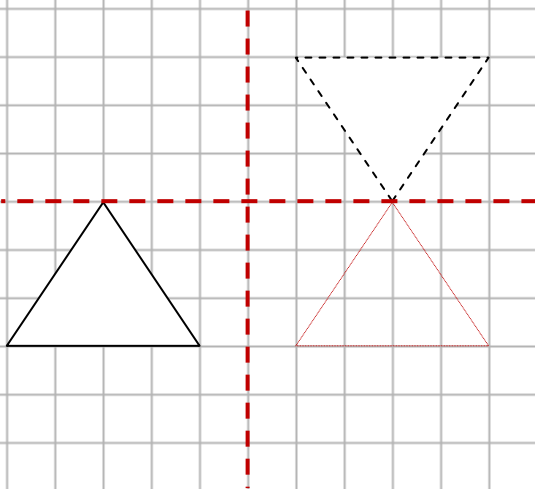

Answers: Routine Reflections Practice #1

Reflect these images in the dotted lines

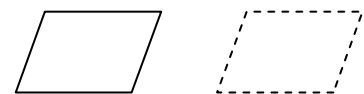

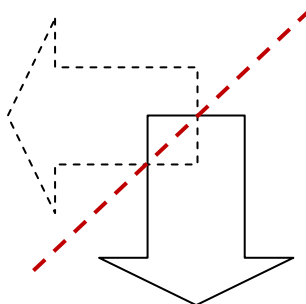

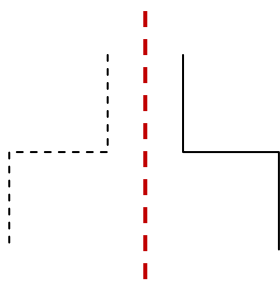

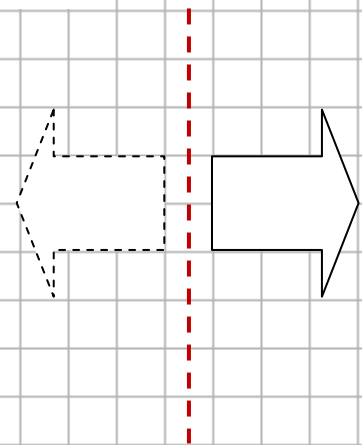

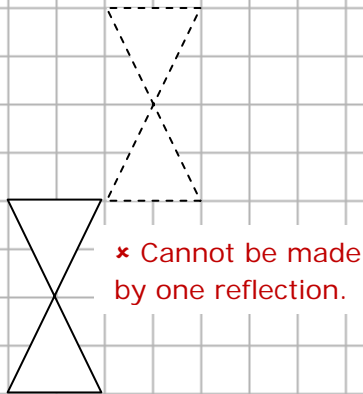

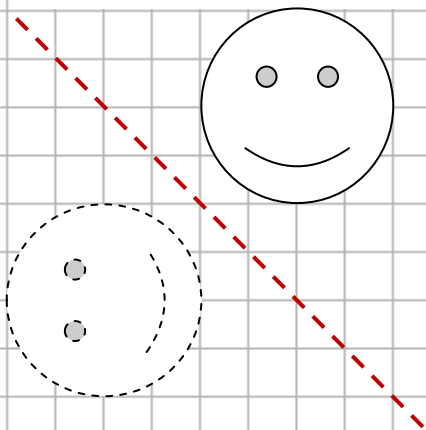

Draw the **two** mirror lines that will move this shape to its dotted image.

Draw the **two** mirror lines that will move this shape to its dotted image.

If the transformations below can be made by reflection draw in the mirror line. Put a * if they cannot be made by a single reflection.

* Cannot be made by one reflection.
